

Second Grade Fun!

September 11, 2008

Mrs. Bray's Room 16

Week at a glance

This week our reading story was Get Up & Go! This is a book narrated by a dog and centers on a timeline that he's keeping while he's trying to get the girl to get up, get dressed and go to school. The phonic skill is short and long vowels. For language arts, we continue to work on complete sentences.

In math we have been reviewing our addition and subtraction skills. We are also spending time on money values. Our science skill has us studying habitats. We are currently in the savannah of Africa. Look for more habitats to come home.

Homework Folder

Homework is sent home on Monday. (spelling lists & reading) Please help your child take out the completed work each night, review work, sign daily report and help your child establish good study habits.

What is homework? Homework is spelling and reading each night. Please have your child read to you at least 20 minutes a night. Remember, you may record this time on your monthly reading calendar.

Reminders

Birthdays

We will celebrate birthdays on the last full Friday of the month. (I am squeezing in August summer birthdays.)

Please let me know if you want to bring in a healthy snack. *No peanut products please.

August birthdays 9/12.

September birthdays 9/26
