

Second Grade Fun!

November 12, 2008

Mrs. Bray's Room 16

Week at a glance

This week we worked on the phonic skill of digraphs and abbreviations.

High frequency and vocabulary words this week are: blue, jump, room, ever, before, cranes, twitch, directions, promise and worry.

Math this week had us studying strategies to show place

value. We have been working with tens and ones. Ask your student to decompose 54 for you. You will be impressed. In language arts we are studying singular and plural nouns. For science/social studies we are studying Native Americans and traditions with habitats.

Homework Folder

Please help your student take items out of his/her daily folder. Schoolwork comes home each night. Occasionally, we have a special project that needs to be completed. Normal homework would be spelling, reading, and math facts each night. Don't forget to record your minutes on the November reading calendar.
