

Second Grade Fun!

January 15, 2009

Mrs. Bray's Room 16

Week at a glance

Watermelon Days was our weekly story. This story has inferences. The little girl has to have a lot of patience to wait for her watermelon to grow. High frequency and vocabulary words this week are: past, dark, coming, lake, front, beneath, relay race, shimmered, snug, wrinkled, and knelt. Please continue to study them.

In math we did a quick check in mental math. We sent the rest of the papers home to do for

fun and they do not have to be returned. We have moved on to adding 2 digit numbers. Continue to provide your student with opportunities to practice making money combinations at home. They should be able to draw circles and label up to \$1.00.

In language arts we have been working on abbreviations, titles and sentence structure.

This month character trait is perseverance.

Homework Folder

Please help your student take items out of his/her daily folder. Schoolwork comes home each night. Occasionally, we have a special project that needs to be completed. Normal homework would be spelling, reading, and math facts each night. Don't forget to record your minutes on the January reading calendar.

Reminders

Calendar

JANUARY

16 - No School Grades K-8 In/service End of Semester

19 - No School K-12 Martin Luther King Jr.
