

Mrs. Bray's

Class News Week of November 15-19

Note from the teacher!

I enjoyed talking with everyone at parent/teacher conferences. Thank you for helping me reach my goal of 100% attendance. Parent/teacher communication is an important component in the success of each and every student. I appreciate all your support!

****We are consistently trying to reinforce reading fluency and math fact fluency. Therefore, throughout the year students may have the opportunity to experience one on one or small group instruction outside of the classroom. ****
