

Second Grade Fun!

September 18, 2008

Mrs. Bray's Room 16

Week at a glance

This week we reviewed id/ide and ame/ake. We also started inflections ed. The phonic skill is short and long vowels. For language arts, we continue to work on complete sentences and commands.

We continue math skills reviewing addition and subtraction strategies. In addition, we are counting to 100, counting by 2's, 5's, and 10's.

Our science skill has us studying habitats. We will begin studying amphibians.

Homework Folder

Please help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed. Normal homework is the spelling, reading, and math facts each night. Don't forget to record your minutes on the September reading calendar.

Reminders

Birthdays

We will celebrate birthdays on the last full Friday of the month. Please let me know if you want to bring in a healthy snack. *No peanut products please.

September birthdays 9/26
