

# Second Grade Fun!

February 19, 2009

Mrs. Bray's Room 16

## Week at a glance

**C**ool Ali was the story for the week. High frequency and vocabulary words this week are: admired, fussed, haze, mimicked, notice, pale, bone, box, draw, pictures, and whose. Please continue to study them.

In math we have started our subtraction of 2 digit numbers. Continue practicing your fluency for our addition facts up to 10 – we

will be moving to 18 soon. Our goal is to be able to do 30 facts in a minute. Study with your student by using flash cards.

Our language arts this week has us using describing words of how many and of course our sentence structure.

We continue with weather in science.

## Homework Folder

Does your child bring home his/her daily report every day? This should be a way to help you discuss your child's day. Please help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed. Normal homework is spelling, reading, and math facts each night. Don't forget to read and record your minutes on your reading calendars.
