

Second Grade Fun!

November 20, 2008

Mrs. Bray's Room 16

Week at a glance

This week we worked on the phonic skill of digraphs and abbreviations.

High frequency and vocabulary words this week are: smeared, buttery, yellow cake, bit, cake, perfect, batter, recipe, open, smell, thank.

Math this week had us studying strategies to show place

value. We have been working with tens and ones. Ask your student to decompose 54 for you. You will be impressed. In language arts we are studying singular and plural nouns. For science/social studies we are studying Pilgrims, Native Americans and traditions with habitats.

Homework Folder

Please help your student take items out of his/her daily folder. The daily report is sent back and forth each day so you can see how well your student is doing with behavior choices. Schoolwork comes home each night. Don't forget to record your minutes on the November reading calendar – please send back on December 1.

YEARBOOK INFO:

Dear Parents and Guardians,

We are now about to begin taking candid pictures of students for the 2008-2009 Discovery Elementary yearbook. Your child may be photographed to help capture 2008-2009 memories! If you consent to having your child photographed (for yearbook/PTA purposes) **you do not need to take action.**

However, if you **DO NOT** consent to your child being photographed please contact the front office at **855-4090 as soon as possible** and request that your child be **excluded** from the yearbook. Please specify also if you would like your child's professional portrait (school photo) **removed** from the yearbook as well.

Thank you for your consideration and your prompt response.
