

Second Grade Fun!

April 22, 2010

Mrs. Bray's Room 16

Week at a glance

This week our reading story was called Abuela. This is a story about a girl and her grandmother who go for a walk in the park. The girl imagines what it would be like to fly. High frequency and vocabulary words this week are: flock, glide, harbor, soared, swooping, morning, high, boat and city. Please continue to study them.

In math we have been working on three digit addition. We will continue working on multidigit

addition and subtraction for the rest of the year.

This week in grammar we have talked about verbs: see, saw, give, and gave. It has been entertaining as we put the parts together to form a correct sentence.

In science, we have started the Arctic Regions. We are enjoying exploring Antarctica and will move on to the Arctic next week.

Homework Folder

The normal homework folder will have spelling, reading, and math. Please read and record your minutes on your reading calendars. Don't forget to help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed.

Reminders

Calendar

APRIL

Sockhop 4/23

Sock Hop is THIS Friday from 6:00 to 8:00. This is a family event. All students must be accompanied by an adult.

PTA – If you can help in any way (time, donations, art supplies, candy, prizes, etc.) please contact Carolyn Durbin at discoverypta@gmail.com.

Thank you – Parents, there is not enough space to tell you how much I appreciate everything you do for our class and our students. Please know that I appreciate you every day.

NO FLIP-FLOPS AT SCHOOL
