

Second Grade Fun!

February 25, 2010

Mrs. Bray's Room 16

Week at a glance

Cool Ali was the story for the week. High frequency and vocabulary words this week are: admired, fussed, haze, mimicked, notice, pale, bone, box, draw, pictures, and whose. Please continue to study them.

In math we have been working with charts and graphs. Continue practicing your addition facts up to 10 – our goal is to be able to do 20 facts in a minute.

Study with your student by using the flash cards your student brought home.

In language arts this week we have been using describing words of how many. We are becoming more aware of these words in context of reading and writing.

We are wrapping up our solids, liquids and gases unit in science.

Homework Folder

Reading calendars for February are due on Monday. Don't forget to read and record your minutes on your reading calendars.

Does your child bring home his/her daily report every day? This should be a way to help you discuss your child's day. Please help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed. Normal homework is spelling, reading, and math facts each night.

Reminders

Calendar
