

Mrs. Bray's Class News

Week of September 27- Oct. 1st

Note from the teacher!

This month we will be starting our Weather science unit. We will cover types of weather, air and wind, and the tools that we can use to help us measure weather. It is a fun hands on unit.

You may start to see a change in math. My goal is to incorporate the concepts into our math already in progress. This new program will help students problem solve and give them a better understanding about numbers.

Book Orders

Sent home once a month

NO CASH

Make check payable to Scholastic

- Return by date specified on book order or order online.
- I apologize... I didn't send the book orders home in time. I will send one home for November since we have a book fair in October.

Box tops

Our class can earn money for supplies by bringing in box tops, and Campbell soup labels. Please send in any box tops and labels.

Birthdays

We will celebrate birthdays on the last full Friday of the month.

Please let me know if you want to bring in a healthy snack.

October birthdays 10/22 from 2:45-3:45.
