

Second Grade Fun!

January 29, 2009

Mrs. Bray's Room 16

Week at a glance

Jimmy's Boa Ate the Wash and caused lots of havoc on the farm – was this weeks story. High frequency and vocabulary words this week are: boring, tractor, ducked, sense, suppose, mean, started, wife, cow and hen. Please continue to study them.

Math class has us practicing our fluency of addition facts up to 10. Our goal is to be able to do 30

facts in a minute. Study with your student by using flash cards. We continue working on adding 2 digit numbers.

In language arts we have been working on pronouns and continue to work with sentence structure.

In science we are working on weather. We will continue discussing this unit for awhile.

Homework Folder

Please help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed. Normal homework is the spelling, reading, and math facts each night. Don't forget to record your minutes on the reading calendar.

Reminders

Report Cards – Please let me know if you need or want to discuss anything – my door is always open.
