

Second Grade Fun!

March 5, 2009

Mrs. Bray's Room 16

Week at a glance

This week our story was the Pine Park Mystery. This is a short play about shiny items disappearing. Ask your student who took the items. High frequency and vocabulary words this week are: isn't, stay, park, near, maybe, sign, caused, clasp, confused, cornered, objects, removes, and typical. Please continue to study them.

We continue subtraction of 2 digit numbers. We are now working

with and without regrouping with our subtraction. Continue practicing your fluency for our addition facts up to 10 – some have already moved to 18. Our goal is to be able to do 20 facts in a minute. Study with your student by using flash cards.

Language arts this week has us working with verbs – it has been fun to act our sentences.

Weather continues to be our topic in science.

Homework Folder

Please help your student take items out of his/her daily folder. We send schoolwork home each night. Occasionally, we have a special project that needs to be completed. Normal homework is spelling, reading, and math facts each night. Don't forget to read and record your minutes on your reading calendars.

Reminders

Calendar

MARCH

Group picture day – March 12

Spring Break – March 23-27

MAY

Field Trip to Zoo 5/22 tentative

Book Fair

Mark your calendars for March 16 – more information to come. The students have created nice art work that is displayed in our hallway.

PTA News

Thank you for supporting the cause for Make a Wish!!

Does your child bring home his/her daily report every day? We will not be sending home the daily report – unless your student has behavior that is inappropriate – then you will receive a daily report. Please continue to talk to your student about his/her choices during the day. They are making positive choices
