

Second Grade Fun!

October 5, 2009

Mrs. Bray's Room 16

Week at a glance

This week we read Days with Frog and Toad. It is a story of friendship. Toad and Frog help each other through silly adventures. The phonic skill we are working on is the inflection –ed. We began changing the y to i and adding ed (ied).

In language arts, we started to work on naming parts of a sentence. We are recognizing

commands, questioning sentences and strong feeling sentences.

Math skills have using addition and subtraction strategies. We also started the double strategy this week. In addition, we are learning fact families and related facts.

Science has been exciting as we started our weather unit.
